

## Risk Formulation Forum – will you join us?

### **Risk Formulation Forum (n)**

: an informal safe reflective space where peers can share ideas or views in relation to cases where risk formulation and reduction are complex.

The Risk Formulation Forum was developed to support practitioners using risk assessment tools as part of core business. It is based at the Children and Young People's Centre for Justice (CYCJ).

If you are working with children and young people to formulate, manage and reduce the risk presented and would like to find out more or attend this Forum, please e-mail [cycj@strath.ac.uk](mailto:cycj@strath.ac.uk).

The dates and times for the Risk Formulation Forum for 2022 are:

**Tuesday, February 15:** 1pm to 3pm

**Wednesday, April 13:** 10am to 12pm

**Wednesday, June 8:** 1pm to 3pm

**Tuesday, August 9:** 10am to 12pm

**Wednesday, October 12:** 1pm to 3pm
