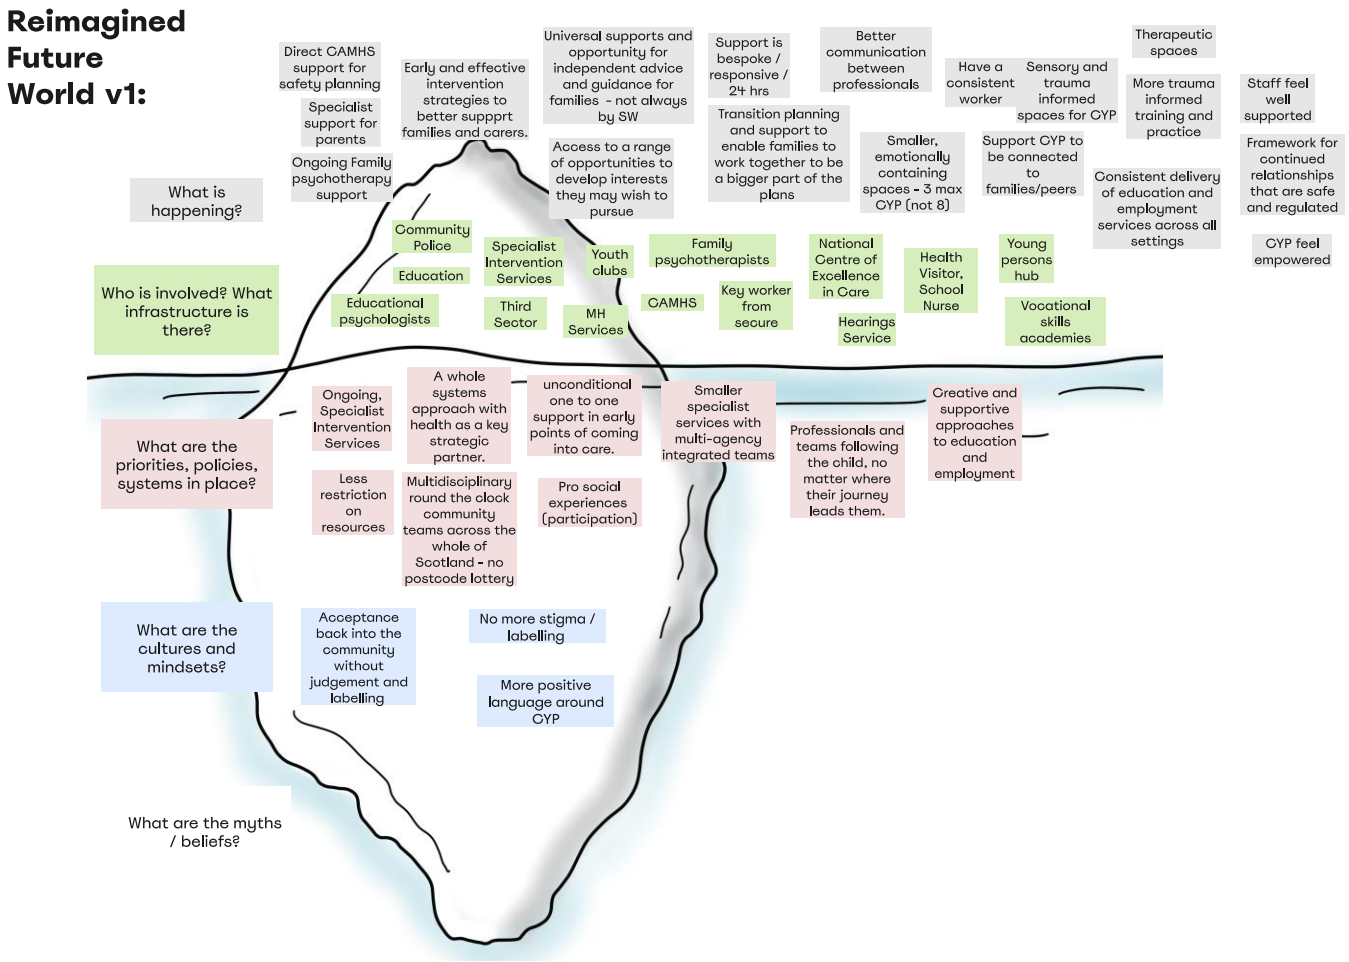
Reimagined Futures:



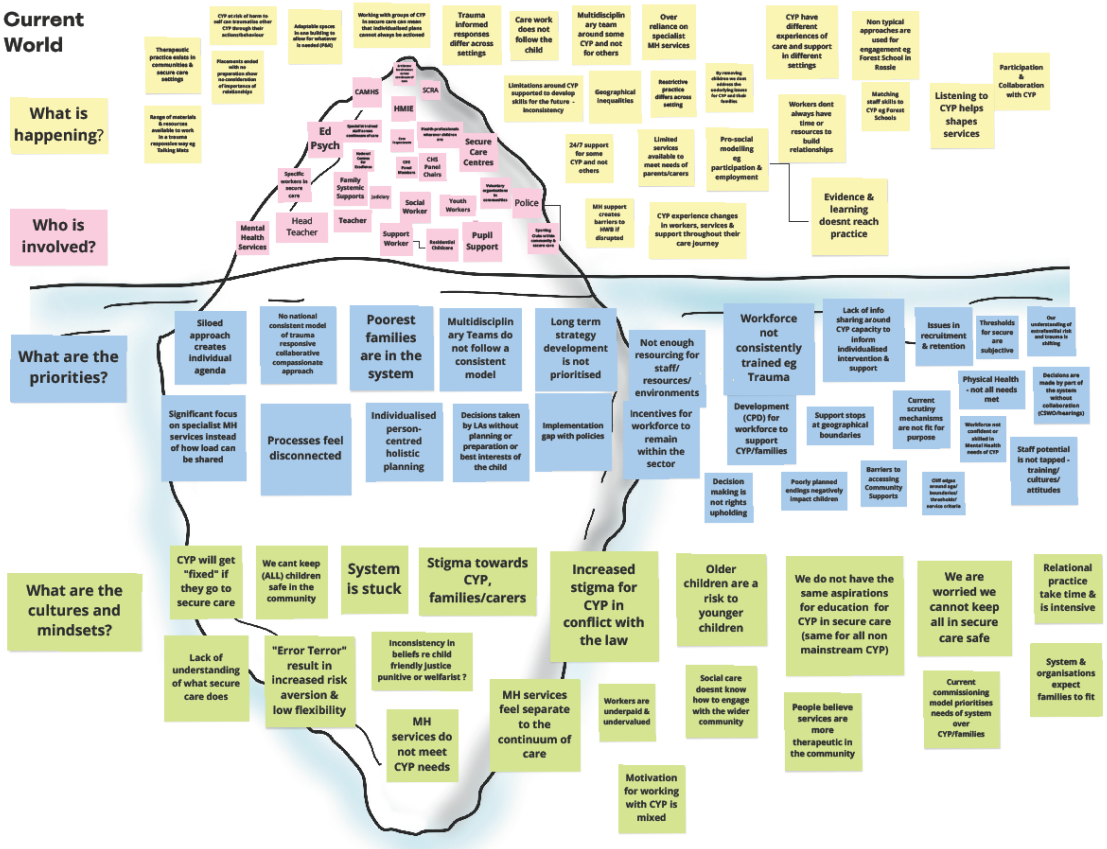
Children and Young People's Centre for Justice

Theme 3:Mindsets & Culture

How might we develop shared values and beliefs for a preferable future system?

Children and Young People's Centre for Justice

Current World



Children and Young People's Centre for Justice

Activity 1
Current Culture & Mindsets

- Activity

  - Groups of 2-3
  - Consider what is missing from the Cultures & Mindsets (green) part of the iceberg
  - Highlight positive cultures and mindsets in the current system
  - Feedback to wider group.

Children and Young People's Centre for Justice

Activity 2
Future Culture & Mindsets

Activity

- Different groups of 2-3
- What might more positive versions of these mindsets be?
- What might a future world look like if these beliefs were at the core of the system as a whole?
- Feedback to wider group.

Children and Young People's Centre for Justice

10mins Comfort Break

Children and Young People's Centre for Justice

Activity 3
Future Culture & Mindsets

- Taking the culture/mindsets from the previous activity, what is needed to change for this to become possible?
- Activity
  - Groups of 2-3
  - What needs to happen? What needs to change?
  - How might we get there?
  - What are the barriers / enablers?
  - What needs to be prioritised?

Children and Young People's Centre for Justice

5 min Feedback

- Each group has 5 minutes to share their:

  - Headline
  - What needs to change?
  - What needs to happen to create this change?
  - What are the barriers and enablers?
  - What would you prioritise?

(nominate someone to feedback)
